

# EMPOWERING STUDENTS WITH ETWINNING

## Professional Development Workshop

- Madeira (Funchal), Portugal -

**3 - 5 October 2019**

*No matter what global problem you are dreading, whether it's the elimination of poverty, whether it's the creation of peace, whether it's solving environmental energy problems, the solution - whatever it is multiple solutions, the solutions always include education, never is it without an education component and sometimes cannot be done without education".*

*Nicholas Negroponte*
